
On the Road Again

Willie Nelson

Orig. E (kapo 2)

1. On the road again
- Just can't wait to get on the road again
- The life I love is makin' music with my friends
- And I can't wait to get on the road again
2. On the road again
- Goin' places that I've never been
- Seein' things that I may never see again,
- And I can't wait to get on the road again.
- R. On the road again
- Like a band of gypsies we go down the highway
- We're the best of friends
- Insisting that the world be turnin' our way and our way
3. On the road again
- Just can't wait to get on the road again
- The life I love is makin' music with my friends
- And I can't wait to get on the road again
- R. On the road again...
4. On the road again
- Just can't wait to get on the road again
- The life I love is makin' music with my friends
- And I can't wait to get on the road again
- And I can't wait to get on the road again
